

ENVIRONMENTAL POLICY STATEMENT

Grace Landscapes Limited in the management of landscaping services is committed to managing and controlling its impact on the environment in ways that are both socially and economically justified.

To achieve this, Grace Landscapes will pursue the following objectives: -

- Compliance with all applicable environmental legislation
- To prevent pollution
- To reduce noise and emissions
- To encourage the re-cycling of natural resources.
- To minimize waste products where possible
- To manage and monitor its environmental issues
- To strive for a policy of continuous improvement

To achieve this Grace Landscapes will, as far as reasonably practicable, provide

- Adequate training, supervision and management of staff
- Adequate information, instruction and resources to meet our environmental policy commitment
- Environmentally sound and well maintained equipment

The Company fully supports the UK government's signature to the 'Kyoto Agreement' - reduction in carbon emissions.

All necessary personnel and financial resources will be allocated to assist the company in meeting its environmental objectives
